Note!!! The Entry Way may be built at the outpost and assembled at Pow-Wow. It is to be planned and built by the **boys and leaders** of the outpost. Commanders will assist in design and some construction. However, **allow your boys to build much of this!!!** *Their own work is what we are looking for and is what they will be judged on and most proud of. Let them make memories, don't try to make them for them, it won't work my friend.*

It is an extremely difficult judgment call to say the Entry Way is totally adult built and therefore you're on your honor. Men, we are relying upon your integrity to verify that your boys helped designed and built this Entry Way. Therefore, I am asking you to sign the following statement and then post this Judging form on your Entry Way prior to the inspection on Saturday. **Thank you for your cooperation in this matter.**

By signing my name to this form, I testify to the fact that the boys of my outpost did most of the work and design to bring this Entry Way into existence
