

2025 KENTUCKY BRONZE PATHFINDER

WOODS FOREST SCHOOL PHASE 2

Dear Missions Volunteer,

The Kentucky District Royal Rangers are hosting for the second year in a row a Bronze Pathfinder trip within the state of Kentucky. This requires a three-day missions trip working at the Woods Forest School in La Grange KY. The work team will continue where last year's trip left off on building the amphitheater down by the pond and wrapping up small projects on site such as cleaning and staining the dock/raft. This work will be made up of three eight-hour workdays where we work together in fellowship to accomplish the task of completion through brotherhood. We will have daily devotions and times of worship together and evenings of relaxation and continued fellowship. All food will be provided for the weekend.

The major task at hand is to finish "Setting the Stage". All jokes aside, that is exactly what we will be doing. With the wonderful amphitheater built last year, we need to build the stage area for presentations, guest speakers, and council fires. This will require us to dig in a trench and drain system to prevent damage to the stage from sweeping rainfall. Once completed we will be able to level the ground to set up the area for the council fire and stage. The presentation table will be the last item constructed in this area before we move our focus to the trees/shrubs we will be putting in beside the pond to help provide a wall of privacy from light in the evenings from nearby neighborhoods. Once these major items have been completed, we will work on smaller projects within camp. Tools and equipment will be provided along with necessary safety equipment.

For lodging we can offer onsite remote camping. There is no electricity or water hook up so you must be able to self-maintain for the weekend. You may come and go as you need to in the morning before work starts or in the evening after service time has come to a stop for the day. You are also more than welcome to stay in a hotel off site near La Grange. Feel free to reach out if you have any questions regarding lodging. Check in for this Bronze Pathfinder is no later than 9am on Friday 08/01/2025 and departure will be set for 4pm 08/03/2025. You may arrive at town/camp on Thursday 07/31/2025 after 12pm. If you cannot commit to the entire 3 days please come for any portion that you can, we can pro-rate the cost and you will just not be eligible for the pathfinder pin.

For anyone participating in the Bronze Pathfinder Mission Project at Woods Forest School you will be required to turn in a completed Domestic Travel Individual Registration form and for any minors 12years or older must have a Parental Consent and Authorization Form. These trips are unique and special in the fact that you do not have to be in Royal Rangers or Male to attend. These are trips intended to allow all to participate and help with Kingdom work. Please spread the word throughout your churches to give everyone the opportunity to serve and help Gods Kingdom for years to come on this wonderful project.

Applications MUST be turned in/ completed by July 8th so the order for Shirts and materials can be placed for National office. The cost of this trip will be \$40 per team member paid to the Kentucky District Royal Rangers. Please Contact Brian Butler with any questions pertaining to this Bronze Pathfinder.

Sincerely,

Brian Butler
